Aaron,

Thanks for your email with the patent claim document. I have had it reviewed by our lead developer and it seems fine. Please go ahead to file. Darren will be sending you the screenshots before the end of the day today. He has already sent you the flow charts you needed. The last bit of information needed is the names of the inventors. Here it is:

1. Dushyanth Ramachandran
94 Adam Place, Newmarket, Ontario L3Y 8C4, CANADA
2. David Joseph Bandi
162 King Street, Milton, Ontario L9T 1J9
3. Darren Townsend
879 Willowbank Trail, Mississauga, Ontario L4W 3T6, CANADA

Look forward to hearing from you. Sincerely

Dush
